ROADMAP

PHASE 1: SOCIALS CREATION

We're excited to establish a strong online presence for SeekAi across various social media platforms. Engaging with our community, sharing valuable insights, and building anticipation for the utility release will be at the forefront of our efforts.

PHASE 2: BASE VERSION UTILITY RELEASE

As we unveil the base version utility, users will get the chance to explore SeekAi's curated selection of secure Solana tokens. We're committed to empowering our users, allowing them to prioritize and invest with confidence as they navigate the dynamic crypto landscape.

PHASE 3: MARKETING AND PARTNERSHIP

Crafting and implementing a comprehensive marketing strategy to boost visibility is a top priority for us. We're actively seeking strategic partnerships within the crypto community, amplifying SeekAi's reach. Expect impactful marketing campaigns that create awareness and draw potential users to our platform.

ROADMAP

PHASE 4: LAUNCH DAY

On launch day, it's all about the big reveal. Coordinated announcements, community engagement, and encouragement of active participation in the initial phase of token discovery and selection are crucial aspects of our grand debut.

PHASE 5: PREMIUM VERSION RELEASE

We're thrilled to introduce the premium version of SeekAi, featuring a more powerful bot with faster and more secure Solana token signals. Our focus is on highlighting additional benefits such as frequent updates and exclusive insights into whale and insider tokens, providing our users with an unparalleled and enhanced experience.

PHASE 6: HOLDERS FIRST PAYMENT

To express our gratitude to our early adopters, we're initiating the first payment to holders. This step is fundamental in building and maintaining trust within our community, demonstrating SeekAi's commitment to rewarding those who have believed in and supported our platform from the very beginning.
